Portrait Packages

Portrait Session - £40

- A 30 minute photo shoot incorporating natural or staged photographs.
- The shoot can take place at your home or a desired location.
- Includes a post shoot consultation for image viewing.
- This package includes one 5'x7" print of chosen image.

Additional prints or other requirements can be discussed during the viewing.

Baby Photo Shoot - £130

You may want to capture a picture of your lovely baby bump or you may prefer to wait for baby's first pictures in those first few weeks after the birth.

- Up to 4 photo shoots lasting approximately 30 minutes each. The timing of each shoot can be discussed, but the following gives some examples of possible milestones.
- 1st photo shoot of your bump
- 2nd photo shoot of baby within 1st month.
- 3rd photo shoot of baby at 6 months.
- 4th photo shoot of baby just before their first birthday.
- Includes a post shoot consultation for image viewing after each shoot.
- This package includes one 5'x7" print of chosen image from each shoot.

Additional prints or other requirements can be discussed during the viewings

PHOTOGRAPHY

Fashion / Boudoir/ Portrait session £185

Why not treat yourself and enjoy a relaxing photo shoot that will provide you with some glamorous photos you will love to show off for years to come.

- A two hour photo shoot allowing for several outfit changes.
- The shoot can take place in your home or at a desired location.
- Includes a post shoot consultation for image viewing.
- Includes 10 prints in various sizes of your chosen images (maximum size – A4)

Additional prints or other requirements can be discussed during the viewing for items such as a Photo book of the shoot.

Special Portrait Sessions.

If you have any requirements not included in our packages, please contact us to discuss your ideas, and we can help build the perfect package for you.

Note

For all portrait sessions, any travel expenses are to be covered by the client for locations more than 10 miles from Swindon, this also includes Swindon if you would like to shoot at multiple locations.
